## **I GIARDINI DI MOLOSIGLIO**

Il cartellone, realizzato dagli alunni delle classi V – A e V – B, riproduce alcune immagini del libro “I giardini di Molosiglio”.

I bambini, hanno voluto rappresentare con le immagini la bellezza di questo luogo, alla luce anche dell’esperienza vissuta dai protagonisti della storia.

Attraverso la realizzazione di questi disegni, abbiamo potuto conoscere e apprezzare al meglio queste meraviglie della natura.

Gli alunni, mentre disegnavano e condividevano il lavoro, si sono calati completamente nel ruolo dei protagonisti ed hanno condiviso con loro questo magnifico percorso.
